

Dear All,

With reference to your inquiry, please find below the requested information:

ORIENTATE Project

Project Duration: The project has been under implementation since 12 December 2025, with a total duration of 30 months.

Total Budget: The total project budget covers the full implementation period and remains subject to verification in accordance with programme rules and procedures.

Expected Transactions: Financial transactions are conducted on a monthly basis. Accordingly, the expected number of transactions is approximately 6 per six-month period, which may increase up to 17 transactions during peak implementation phases (e.g., procurement or international activities).

Sub-partners: No sub-partners are involved in the implementation of project activities.

Kindly let us know if you require any further clarification.

Best regards,
